

## Bible, Believer and Body of Christ for Everyone

FTT 1.0 was to get every tribe adopted by some groups, we got it down to 0.

FTT (Finishing the Task) 2.0 is mobilization of all of Bible, Believer, Body of Christ everywhere.

In 33 AD there were only 120 believers, within 300 years the Christianity became the official religion of the Roman Empire.

The most rapid growth of church was in the first 300 years and denominators was **Intense persecution and no church buildings.**

So, what made the gospel and what made the early church grow so fast?  
In a word, "**Mobilization**".

**“Reach one more for Jesus  
Before I close my eyes  
I must reach one more for Jesus  
I won't let another day go by  
That's what I'm living for”**

Song based on the story

My father was a pastor and a carpenter. He built 150 churches all around the world through his entire life. He got cancer. On his last days, he can't move, he was dying but he kept trying to get out of bed. My wife said "Jimmy whatever you need, we'll get it for you. Don't try to get out of bed. What do you need?" but he kept trying to get out of bed and My Dad said, "Got to save one more for Jesus. One more for Jesus. Reach one more for Jesus." Before he died, he lay his hand upon my head and said "Reach one more for Jesus"

**There is nothing important than bring people to Christ, build them up to maturity, equip them for their ministry and send them out on their mission.**

In the next 365 days 176,000 people will die in California.

In the next 365 days 2.4 million people will die in America.

In the next 365 days, 74 million people will die in the world.

And most of them will go into eternity without Christ

**We have to speed everything up.**

**Faster church planting. Faster evangelism. Faster Bible translation.**

So that everybody knows somebody who's a Christian.

Everybody needs to have access to Scripture.

Everybody needs to have a church that they can get to.

**So that there is a Bible and a believer and a Body of Christ within distance of everybody everywhere.**

RICK WARREN

As the founding pastor of Saddleback Church with his wife Kay, Dr. Rick Warren leads a 30,000-member congregation in California with campuses in major cities around the world. Saddleback Church has more than 300 community ministries to serve groups including veterans, single parents, orphans, prisoners, addicts, and those living with a mental illness. He also leads the Purpose Driven Network of churches, a global coalition of congregations in 164 countries. More than 500,000 pastors and priests have been trained worldwide, and 212,000 church leaders subscribe to Pastor Rick's Ministry Toolbox, his free weekly newsletter. As a global strategist, Dr. Warren advises leaders in the public, private, and faith sectors on leadership development, poverty, health, education, and faith in culture. He has spoken at the United Nations, the World Economic Forum in Davos, the
