

China DMM/CMP Practices

The best strategy is in Jesus' Command. (Matthew 28:19-20)

“Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.”

T4T Outlines

- **“Go, not come:”**
The Great Commission says we are to go, not invite people to come to us.
we need to go out to find the lost.
- **Share with everyone - don't choose whom to share with**
Bible says make disciples of all, not just a few. Jesus told us a story about a farmer, the farmer went and sow the seed everywhere, some fall on dry place, some fall on hard place, but if it falls on good land then it can bear fruit 30, 60, 100 times.
Sowing the seed is our responsibility, but only Holy Spirit can make them grow.
- **Make disciples, not just church members**
Jesus said make disciples not the church members.
And make disciples means witness to others and train new believers to do the same.
- **Teach everyone to use their own story to share Jesus' love**
Jesus told us to baptize them and baptism is like a person's testimony.
So that is why we train them to use their own story in 2 minute or less.
- **Train until they can train others**
Training and train believer to become the trainer is a different thing.
we need to do training for trainers, not training for trainee.
- **Obey**
Jesus said obey what I have commanded you.
if we obey, we can receive the Great promises from the Jesus.

Two kinds of people in the world

- **The Lost**
- **The Saved**

There are 2 things that hinder a lot of people from sharing the Gospel.

1. Don't know who to share

Think of people who is non-Christian related to you. (family, relatives, friends or anybody)

Make a name list, circle every 5 names and group them, **Share to at least 5 people every week**

2. Don't know what I can share with them

Write down your story (1~2 minute is enough)

Divide your story into 3 parts.

1. before you were non-Christian
2. How you become Christian
3. After you become Christian.

Then make pair with others and practice sharing story to each other.

3 Things to keep in mind when you share story to each other.

1. If there is a part you don't understand, ask the person
2. Don't put big bible word (non-Christian might don't understand)
3. Make your story more interesting so that people will love to hear your story.

After you share your story then share Jesus story.

When you share Jesus' love, **DON'T ask permission.** just share your story.

YING KAI

Ying and Grace Kai with decades of experience in the pastorate and served as missionaries with the Southern Baptist International Mission Board. Now they currently serve as Executive Directors of T4T Global Missions. In T4T, the Kais have developed one of the most fruitful methods for church planting and disciple training in the world. Every year more than 20,000 believers around the world receive T4T training and through it have experienced life transformation as the disciples of Jesus Christ.
